Success is a Choice: Buraaq Mining Services Invests in Its People Through an Inspiring Team-Building Session

Johannesburg, South Africa – July 2026

On **Wednesday, 29 July 2026**, the **Buraaq Mining Services** team came together for an inspiring and empowering team-building session hosted by **Robin Banks of Robin Banks & Associates** at the **Birchwood Hotel & OR Tambo Conference Centre** in Boksburg.

The session centred around the theme **“Success is a Choice,”** the session challenged employees to adopt a positive mindset, embrace personal responsibility, and recognise that success begins with the choices we make every day. Through engaging presentations, interactive discussions, and practical exercises, Robin Banks encouraged every team member to unlock their potential and strive for excellence both personally and professionally.

Unlike a traditional seminar, the event was highly interactive, creating an energetic atmosphere where the speakers and the Buraaq team actively engaged with one another. Employees participated enthusiastically, shared experiences, and collaborated in activities designed to strengthen
